I am so excited to be writing this Messenger article. It means that enough things are beginning to happen again around Pritchard that we need to tell you about them. A great deal of work has been going on while we have been quarantined and now you are going to get to see the results of that work. You will find in the body of this Messenger several new and exciting proposals for the Fall. The Covid-19 scare forced us to do some things differently. Several of our committees have made some changes in programing based on what we have experienced. We are not back to normal yet, and there will be a new normal when we are. We are hopeful that what we are proposing is going to increase our participation here at Pritchard and allow us to reach many new people in our community.

You have all been hearing about Overflow, our Saturday evening worship that begins in September. Many of you have committed to serve on our Legacy Teams. They are already at work getting ready to minister to those who come. The gym has undergone a transformation that is preparing it to act as our Overflow Worship Center. You are going to be so excited when you see those results.

New and exciting programing is being introduced for Pritchard Kids and Pritchard Youth. Sherry and Brack have been working hard to develop the kind of programming that will encourage our children and youth and motivate them to invite their friends to come. Will it be different than we have done before? Yes, it will. Will it be at different times than we have experienced it before? Yes, it will. Will it encourage a new level of enthusiasm from participants and leaders? YES, IT WILL.

You will also see that we have new programming for adults. Our midweek Bible Study and Prayer Time is undergoing a transformation. The Christian Education Committee has done a marvelous job of creating something that fits the population who have faithfully attended Wednesday nights. It is another effort to grow our participation and meet all ages of Pritchard's discipleship needs. We will not be approaching the Fall believing we will be experiencing the same old, same old! I believe you are going to enthusiastically embrace the "NEW" coming your way.

I don't want to miss the opportunity to tell you, my Pritchard family, how grateful I am for your faithfulness during this time. You have proven again your love for our Lord and your commitment to the church. Your prayers and your financial support have sustained us during this time. Under the leadership of our Administrator, Doug Burkhart, we were able to cut expenses to a bare minimum. Because of your faithful giving, we have been able to support our ministry partners at 100% of what we had pledged to them. We have continued to be able to prepare for Overflow and the other new programs coming in the Fall. Even though we were not able to meet in person, we have still been the church that this community has desperately needed. I have always known you were special! You have just given me one more confirmation of that fact. I love you and appreciate your dedication to our Lord and His Church!

In His Love,
Bobby Morrow

VBS Thank You!!

Thank you to our team of helpers for making our Vacation Bible School run so well during this time of COVID-19. I could not have done this without their amazing help: BIBLE STUDY: Donna Heiser for all her hard work writing and directing our dramas; Stan Heiser; Virginia Wallace; Allen & Sandy Childers; Tom & Millie Creech; and Galen & Carolyn Bolin. This team not only worked on their lines and acted, but they also became video actors as well. So thank you to them for their sacrifice of time as they not only rehearsed, but also came and performed live. CRAFTS/IMAGING: Melissa Wisor, who not only planned the crafts, but then videoed her teaching for each day's crafts for us to have available for our online VBS families. WORSHIP RALLY DRAMAS: Bobby Morrow and Garrett Elder. WORSHIP RALLY: Bethany Nettles, Garrett Elder, Grace Grady. Our CHILD DEVELOPMENT CENTER: Jennifer Hirst and her great team of 3's through Summer Camp teachers: Ms Zarría and Ms Martha; Ms. Keekee; Mrs. Sarah and Ms. Alex!

Pritchard Kids Wednesday Nights this Summer

We are continuing to have Wednesday night meetups at 6:30 this summer. We are exploring Science, Music, and Art and enjoying learning some new things.

Pritchard Kids Clubhouse in the Fall

I am so very excited to tell you about our changes for this Fall! Back on February 2nd our Pritchard families agreed we wanted to be intentional in our connection with our Child Development Center (CDC) families and Barringer families. We also agreed that our mission is to be more strategic about inviting and reaching children and their families for Jesus. God had already laid this on my heart as a burden to reach these families as well as our community for Jesus. But as I got to know these sweet kids and their families, and have gotten into the community, that burden has only increased. As a result, we put in motion transforming our format and meeting space to accommodate the change of programming and to appeal to these young families. From this we did gain multiple CDC families and friends of our Pritchard Kids, however we are still missing kiddos and families due to the scheduled time we offer for our kids programming. With that said, this Fall we are going to shift our start time for Pritchard Kids Clubhouse. It will begin at 4:00 PM with snack time and we will start our programming at 4:30. For Barringer kids and our

(continued in next column.....)

church kids whose parents work and cannot get them to our campus, we are working on a way to pick them up from school and bring them to campus. (Imagine the old bus ministries.) We will also be taking them back to Barringer's campus. Our goal is for programming to end at 6:00 PM, allowing families to be able to be home and eat dinner together, as well as get kids to bed at a decent time. One other exciting addition is that Melissa Wisor will be working on a children's musical during our kids choir time that our kids can be learning and working on to perform for Christmas. This will allow us to showcase not only our Pritchard kids' talents, but our CDC and Barringer kids, as well as our Pritchard Fine Arts Academy kids.

I am really excited about the potential that this has to reach children in our community for Jesus and can't wait to see what God will do with this. We do realize that this is a schedule we may have to move and be flexible with as we see what not only our CDC and Barringer kids are able to do but also our Pritchard families.

It's Time to Think About Barringer Academic Center!

This has been a time of uncertainty about planning. For the last 6 years, we have always made our plans to assist the children and staff at the school. At this time, school is scheduled to open on August 17 for in person instruction. That would schedule our Blessing of the Backpacks on Sunday, August 16. We are planning to continue with this scheduling until we know otherwise.

I have found a source for bulk school supplies that can be ordered to be shipped to the church. Since we as a church have enough members who fit in the category who should avoid much of the shopping, I am suggesting that each of you who are able to assist with this project to send your donation to the church and we will make a bulk order. There would be no shipping charges. Make your checks payable to PMBC and note that it is for **BAC supplies**.

This is one of the largest of our mission projects and has incredibly significant effects on the students and staff at Barringer. I also think that most of us enjoy participating in the project. Our church has also been very faithful to assist with the food needs while schools have been cancelled. If school does open in a conventional way, and if allowed, we will also need volunteers for the staff. We will make those plans when we know what will be allowed.

Please pray about being involved in the supplies and food for Barringer Academic Center. You may call or email me if you have questions (336-469-4673 or ermdmph69@gmail.com).

Pritchard Family,

This season of COVID-19 and "social distancing," has been very difficult for many. I know it has been for me! May we shift that focus from "social" distancing to "physical" distancing. Our mental and emotional health are so important and we need each other, socially, perhaps now more than ever! My prayer is that we all find safe ways to remain *social* during these times. If you know any youth or college-aged students who are seeking a community to connect with, please give them my contact info. I would love to connect with them and introduce them to our amazing Pritchard Family.*

During the month of June we began our Fun Days weekly on Tuesdays and they have been a blast! We will continue those Fun Days through the month of July. We will also host one outdoor family event, which will be a movie night in the Pritchard Courtyard. Be on the lookout for the movie TBA!

Our Pritchard college-aged ministry has also kicked off and I am happy to report that we have been meeting on Zoom for Bible study and will be meeting face-to-face (physically distanced) during the summer months on a bi-weekly basis. I am the facilitator and the college students are building this ministry from the ground up. Our group of students have been meeting regularly since April and have a vision board that we have used to collaborate and share our ideas for this new ministry focus. They have chosen the name, "Agape", and their mission is: *To connect college-aged students (18-24) to Jesus, grow together*
(continued in next column.....)

as a fellowship of believers, and to be the loving presence of Christ today in their colleges, workplaces, or wherever God directs! We are excited about all that God has in store.

I pray that each of us can continue encouraging one another during these times, whether it be via Zoom or other creative ways of physically distancing, *"Not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more..."* (Hebrews 10:25)

During our events for Pritchard youth and college-aged students, we will practice the guidelines set forth by the health department and our church, but we do remind each participant that they participate at their own risk. Waivers are provided to each participant prior to participation in our summer events. Thank you for your understanding!

Blessings,
 Rev. Brack Ballard

Associate Pastor,

To My Sweet Pritchard Family:

I have to say to each of you: "I AM SO PROUD OF YOU!" March – June this year has not been easy. We have missed you all in worship, face-to-face Bible study and meetings. However, YOU embraced technology, Zoom and Livestream, and thanks to you we were able to still "meet" online. THANK YOU for learning all these new tools and allowing creativity.

NEW WAYS OF DOING SPIRITUAL DISCIPLESHIP AND FORMATION AT PRITCHARD

During the Christian Education committee Zoom meetings, we began to discuss Pritchard's Vision

(<https://pritchardchurch.com/about/>) and how Spiritual Development connects to our mission. We also read a Spiritual Formation section of Andy Stanley's book *"Deep and Wide: Creating Churches Unchurched People Love to Attend."* In his notes, Stanley discusses there are FIVE catalysts to Spiritual Formation in the Body of Christ:

- Practical Teaching – Teachings and sermons that lead students/participants to life application instead of just Biblical knowledge.
- Private Disciplines – Teachings and sermons that encourage the practice of spiritual disciplines: Reading God's Word, prayer, fasting, tithing, resting, etc.
- Personal Ministry – To help people learn their spiritual gifts and apply them in service and ministry.
- Providential Relationships – To help people learn from the good and the bad relationships in our lives. Some relationships are for a season, while others are lifelong.

There will be relationships in our lives that help in areas of wisdom, growth, and support as they journey life together.

- Pivotal Circumstances – The same for relationships is true for life circumstances. There are exciting times in our lives that will make an impact: graduations, new jobs, marriage, having children/grandchildren, retirement, etc. There are also times in life that make a different kind of impact: loss of job, loss of a family member or friend, tragic experience, etc.

All FIVE of these examples can help BUILD our faith as we grow as Disciples of Christ, and with that in mind, the Christian Education Committee has planned fervently for Fall 2020 to LIVE IN THE MISSION of our church's vision statement "NURTURE": Make Disciples through transformative studies and spiritual formation. To do this we have some NEW and EXCITING programs to announce:

(continued in next column....)

REFUEL at Pritchard:

Instead of Wednesday night dinners and Bible Study/Prayer Time, we will now have "Refuel at Pritchard" Thursdays at 12:00 PM. A \$5.00 lunch will be served, and a speaker from the community will speak or a Bible Study from a Pritchard Ministerial Staff member will be led. This will be a great opportunity for professionals to also join us on their lunch hour! At 1:00 PM we will then move into Prayer Meeting for those who can stay and have an intentional time of prayer.

****This will begin Thursday, September 3, 2020 in our Fellowship Hall and take the place of Wednesday night dinner & Pritchard Connect****

PRITCHARD LIFE GROUPS:

Starting Fall 2020, there will be a sign-up form to join a life group! Life groups will be made up of small groups of just men, just women, co-ed life groups, and life-groups for special interest (parenting, singles, retirees) and more! Attendees of Overflow Saturday night service and Sunday morning worship service will fill out these forms and then life groups will be created! Casey Elias will be serving as our "Life Group Coordinator" and we may ask YOU if you could host a life group in your zip code or lead a life group in your home or the local restaurant!

We are so excited about these new opportunities for Spiritual Development at Pritchard and thankful Bobby cast the vision at the beginning of the year for our theme "NEW" in 2020! This "NEW THING" will spring forth under the Holy Spirit's leading!

On the journey TOGETHER, Kristen Tucker

PS: Please check out Sherry and Brack's sections for their "NEW" programming and events to come!

We hope you will plan to join us! Committee Chairs will give a report, you will get to hear some exciting staff updates and the latest news about Overflow, our Saturday night service.

Zoom link/phone number to join will go out in E-Connect.

The Blue Ridge Parkway is one of the most popular tourist destinations in the country. While not officially a national park, it is part of the National Park System. Every year, since 1946, the Parkway has been the most visited part of the NPS. The Parkway travels for 469 Miles from The Shenandoah National Park in Virginia to the Cherokee Indian Reservation in NC. The Parkway travels along some of the highest ridges and mountains in North Carolina and is known for its incredible scenic views and overlooks. The highest point is located near Waynesville, NC at Milepost 431 where the elevation is 6,053 feet. (917.55)
